

## How Telozea MSL can help

Telozea MSL can organise the care you need to get you back on your feet:

- Personal care
- Companionship
- Shopping
- Cleaning
- Gardening
- Mobile hairdresser

We check all our suppliers before we work with them and check them regularly to make sure they are meeting the standards of service that we expect.

## About us

Telozea provides a managed care service—providing people and services to the Health, Care and Education sectors.

We represent a range of suppliers who are checked and quality assured.

The system we offer is a flexible on-line system to request and manage support and resources from a pool of quality assured and accredited suppliers.

Telozea can represent the small and medium sized Companies who would otherwise struggle to get a foothold in Public Sector contracts.

We listen, we manage and we deliver a total solution

## Discharge from hospital

Whether you are recovering from an operation, an illness or have a broken limb, Teloepa MSL can support you or your loved one coming home from hospital.

We listen to what you want, then Teloepa MSL organises care in your home to suit your needs. Whether you need 24-hour support, help getting meals ready or just someone to look in on you during the day, we are here to help.

## Services we offer

- Personal care
- Companionship
- Shopping
- Cleaning
- Gardening
- Mobile hairdresser

## Quality

Teloepa MSL only works with people and companies that we believe provide a high quality of service.

We check all our suppliers before we work with them and check them regularly to make sure they are meeting the standards of service that we expect.

## Cost of services

The cost of the service will depend on what you need and want. Personal care prices match those of the council and start from £13.50.

Teloepa MSL charges the care companies for giving them the work—you will pay nothing.

## Who we work with

Teloepa MSL is not tied in to working with just one supplier—we work with a

whole range of people from care agencies to mobile hairdressers and gardeners.

The care agencies we work with are all on the councils' lists of approved providers.
